Dear Parent,

Stevensons is proud to be the nominated uniform supplier to your school. Our company has a long history in retailing quality school uniform and sportswear (est. c. 1925) and now supplies over 300 schools across the UK.

- We offer a convenient online shopping facility at www.stevensons.co.uk
- Although Queen Mary's High School Uniform is not quite live yet to buy online, we would encourage parents to register now on our website so that we can email you **as soon as the uniform is available to buy online and over the phone.**
- Alternatively, place your order via our order hotline on **01727 815700**, Monday-Saturday 9am-5.30pm.

Yours sincerely

Mark Stevenson
