3rd March 2017

Dear Parents

Re: Y11 Review Meetings

Following the GCSE mock examinations and their outcomes we have arranged individual review meetings for all Year 11 students with either a Subject Leader or a member of the Senior Leadership Team.

At these meetings students will discuss their performance in Key Stage 4, particularly focussing on their mock exam outcomes. They will be asked about their preparation for the mock examinations, how they have fared in relation to their goals and, where there may be a disparity between the two, how this has arisen.

Students will also discuss with their reviewer an action plan that is designed to assist them in improving their results – this may include revision planning, personal actions to be undertaken, support needed from the school and the focus for their study leave.

The meeting will also include a consideration of the student's aspirations for the future and any advice received during careers interviews. This will then be linked to their options choices for A' Level, both in terms of suitability for their chosen career path and also with reference to their potential performance at GCSE. We will also cover any other activities that the student may wish to undertake e.g. volunteering/mentoring/Duke of Edinburgh Award.

Finally, the student will be asked to sign to say that they are clear about the entrance requirements for the sixth form here. At the end of the meeting the student will be asked to compile a list of priorities – what she is planning to do and when. This will be copied back to her within a week of the review meeting.

The meetings will commence during the week beginning 6th March and students will be expected to arrange a suitable time and venue with their reviewer where this has not already been confirmed.

A parent is welcome to attend the meeting if available. Details of the arrangements can be obtained via your daughter.

Yours sincerely

DR ALISON BRUTON
Head Teacher
