## July 2021

### **Fairtrade Assembly**

During term 3 QMHS has concentrated on appreciating the hard work of Fairtrade farmers globally and the Fairtrade products available for us to purchase online and from local supermarkets and convenience stores. Pupils enjoyed and reflected on an assembly focusing on the production of and appreciation of Fairtrade chocolate. How many of us remember to say 'Thank you!?' Please reflect on the statement below:

Let us never take for granted the treats available to us. Many people have worked hard to make it and they ALL deserve to be thanked for their hard work. Next time we have a treat, think about all the people who have helped to make it. In particular, let us be thankful to the farmers and workers who work hard to grow the food we eat. We can make sure they are fairly paid for their hard work by choosing food with the FAIRTRADE Mark.

### **Fairtrade Chocolate Sale**

During the week beginning 5th July the Fairtrade team organised and held a yummy chocolate sale for each year group in line with covid restrictions to celebrate Fairtrade produce. Items sold included Fairtrade Divine chocolate bars and Nestle Maltesers. Who knows what makes chocolate so delicious but pupils devoured the scrummy treats in seconds. As Jo Brand once said, "Anything is good if it's made of chocolate.". Thank you to the Fairtrade Team for organising and running the sales.

### **Fairtrade Recipe of The Term**

**BANANA & CINNAMON FAIRTRADE MUFFINS:** <https://www.therealmealdeal.com/banana-muffins/>

Cinnamon and Banana Muffins are a great way to turn overripe bananas into a delicious snack. Bananas are the most popular fruit in the world and most of us end up with some that are past their best from time to time. Having an easy banana muffin recipe can make sure bananas never end up as food waste.

**The Fairtrade team would like to wish you a very happy summer holiday!**
