

The activities below provide suggestions of fun and engaging activities that you can do with younger children to help them think about being safe and positive online:

### Smartie the Penguin (Ages 3-7)

Childnet's Smartie the Penguin story highlights the importance of always telling a trusted adult if you are unsure about something online or when using technology. The story can be downloaded/read for free and there are also free colouring pages and fun activity suggestions to help reinforce the messages of the story.

### Digiduck's Stories (Ages 3-7)

The Digiduck collection has been created to help parents and carers educate children aged 3-7 about online safety.

The collection includes a ebooks, PDFs, a poster and an interactive app.

Follow Digiduck and his pals in these stories of friendship, responsibility and critical thinking online.

### Safer Internet Day 2020 films

Our Safer Internet Day films provide a great way to start a discussion with children about how the internet makes them feel and what tips they have about staying safe. Some of the videos are aimed at younger children and can be watched on the UK Safer Internet Centre website or on YouTube (Search: UKSIC).

### The Adventures of Kara, Winston and the SMART crew (Ages 7-11)

Five cartoons for children on how to stay safe online. Each cartoon covers one of the five SMART rules which help children to make positive and safe online choices for themselves and their friends.

### Childnet primary pages (Ages 8-11)

On the Childnet website you can find a range of information pages specifically designed for children aged 8-11 years old. Each section answers some of the frequently asked questions we hear directly from young people and includes a quiz to review at the end.

Go to [www.childnet.com/primary](http://www.childnet.com/primary) and choose 'Get Answers'.
